Sir,

I have the honour to state that the Comptroller to the Government of Mysore, Bangalore, in the Local Audit of the Accounts of this office suggested that as Revenue Patta Receipt Books were omitted from the Standardised List of Revenue Forms and Registers as they were being sold to the Public, they might be made available for sale at the Government Central Book Depôt and its Branches and Agencies. The Revenue Commissioner who was consulted in the matter has in his letter No.D.1.Dis.2281/33-34, dated 21st June 1934, (copy enclosed for kind reference) replied that the existing practice of getting the books sold by Shanbhogs may continue and has suggested that with a view to increase the sale of Patta Books, Shanbhogs may be allowed the same commission as is given to the Agents of the - Government Book Depôt in the mofussil for sale of Government Publications.

The Superintendent, Government Central Book Depôt, Bangalore, who was addressed in the matter has replied in his letter No.643/240, dated the 3rd September 1934, that the Agents of the Book Depôt are allowed a commission of 15% on the sale of Government - Publications.

In these circumstances, I request to be kindly informed whether the suggestion of the Revenue Commissioner to allow the

P.T.O.

Shanbhogs a commission of 15% is commendable to Government and whether the suggestion of the Comptroller to make the Patta Books available for sale at the Government Book Depot and its Agencies, in the circumstances referred to by the Revenue Commissioner, may be dropped.

I have the honour to be,
Sir,
Your most obedient servant,

Ag. Superintendent.

Re: Sale of Revenue Patta Book.

With reference to correspondence ending with your letter No.F.335 dated 20th March 1934 and in continuation of my letter No.C.2786/33-34, dated 28th March 1934 on the subject noted above, I have the honour to state that the Villagers are not likely to take the trouble of going to the Branches and Agencies of the Government Book Depot for the purchase of Patta Books. The Village Officers living in the midst of the rural population come into frequent contact with the ryots and hence they are the best agency for the sale of these books which can be made use of only when the Shanbhogue fills them up.

2. I am therefore of opinion that the existing practice of getting the books sold by Shanbhogues may continue. But with a view to giving them an ~~them in~~ incentive to popularise the use of Patta Books and sell them in large numbers, they may be allowed the same commission as is given to the Agents of the Government Book Depôt in the moffusil for the sale of Government Publications.

Letter No. 4210—1612, dated the 6th June 1934, from the Superintendent, Government Central Book Depot, Bangalore, suggesting certain modification of the rules of the Depot for the sale of Mysore Government Publications.

ORDER No. G. 2420-21—P. & S. 70-33-2, DATED BANGALORE, THE 10TH SEPTEMBER 1934.

The existing rules relating to the supply of Government Publications to Agents provide as follows:—

1. A commission of 15 per cent will be allowed on the purchase of these publications (except a few in regard to which special instructions may be issued) only to approved book-sellers on the Government List.

2. Every time the concession is claimed, the claimant must cite the Government Order approving him as a book-seller.

3. The book-seller should bear all the forwarding and packing charges.

With a view to bring the existing rules of the Central Book Depot relating to the Mysore Government Publications in line with those obtaining in Madras and the Government of India, the Superintendent suggests the following rules and requests approval of Government for the same :—

1. A commission of 15 per cent will be allowed on the purchase of these publications (except in cases where special instructions are issued) to *bona fide* book-sellers.

2. *Bona fide* book-sellers will be entitled to obtain books on cash payment or by value payable parcel and they will have to bear all the transmission and packing charges.

3. They are permitted to return to the Government Central Book Depot, Bangalore, such books and publications as remain unsold at any time before the expiry of six months from the date of issue, quoting voucher number and date of supply, provided they are at the time of return in a clean and saleable condition.

4. Carriage on books returned should be borne by the Agent.

5. The actual price originally paid shall be returned to the Agent, less money order or other commission at the time of return of books.

6. Publications thus supplied to book-sellers should not be sold to the public below the published price. Violation of this rule will lead to the privilege being stopped.
